**VIERA, FL | JUNE 28TH - JULY 3TH, 2021**

---

Congratulations on an outstanding season and welcome to the 2021 USSSA Fastpitch Space Coast World Series Tournament hosted at the Space Coast Complex in Viera, FL. The USSSA Fastpitch program will use a 5-game guarantee format in its World Series Tournament. The goal of the USSSA Fastpitch program is to create opportunities for athletes to showcase their skills in competitive settings; provide resources that educate and empower athletes, coaches, and parents; and to walk alongside our athletes in serving the community. There are many exciting things to take in both at the complex and outside the complex and we hope you get a chance to experience as much as possible during your week here with us!

Teams will be seeded into pools based on current USSSA ranking points and play 3 pool games. All teams will be seeded into a double elimination championship bracket following pool play. Seeding will be based on pool finish. The exact format of the tournament, e.g., number of games, number of teams in each pool, etc. will be set by the tournament director following USSSA Fast Pitch guidelines as approved by the USSSA Fast Pitch National Committee.

All players participating in USSSA Fastpitch youth tournament play shall have proof of age in possession of their team manager at all times. All team rosters must be on the USSSA website, [www.ussa.com](http://www.ussa.com), and all teams must adhere to all rules and regulations as outlined in the current edition of the USSSA Fastpitch playing rules and by-laws. Proof of age must be verified by a government issued document that identifies the player by name, gender and birth date.

Congrats again on a great season and good luck to everyone this week. Remember to have fun and we hope you enjoy your experience with us at the Space Coast Complex!

Ryan Highfill  
National Director of USSSA Fastpitch
